

REFINED UNDIGNIFIED

Ministry with a beat

Refined Undignified is a group of passionate people who love seeing teenagers set free from bondage in their lives. We accept groups of Briercrest students each year who desire to impact lives through the power of performing arts. We equip them to use the medium of dance to connect with this generation and address hard issues that teenagers are facing. This is our 12th year as a group and we have been able to travel around to schools, churches, camps and youth centers across Canada from BC to Ontario. We also have toured in England and Mexico.

Our desire is to reach the lost with the hope of Jesus Christ. Our ministry encompasses many aspects; from training in dance to mentoring relationships and developing young people to serve the Lord in everything they do. Refined Undignified desires to engage a hurting generation with the gospel of Jesus Christ.

REFERENCES

“With a unique blend of servant-hearted humility and passionate enthusiasm Refined/Undignified dances their way into the hearts of a young generation hungry for hope, healing and direction. Their vivid portrayal of issues that teenagers face every day becomes the start of an artistic conversation that points kids to the true life that can be found in Christ. The team's commitment to excellence is clearly evident in the quality of the dance, music and spoken word, but even more impressive is their commitment to excellence in character, attitude and integrity. Refined/Undignified will blow your kids away with their performance, but in the end

what will be remembered is the relationships they'll invite your students into. I have personally watched this team grow from it's start. I know the leaders well and I endorse their ministry without reservation.”

WHAT WE BRING...

SHOWS

Our shows consist of a fun, high-energy introduction with ice breakers and audience participation, a 40-50 minute thought provoking dance performance, and at the end of each performance we have a speaker connect the message of the show to practical life and give an opportunity to challenge the audience to respond in any way they feel they need to. We also have opportunity for a response time and worship depending on the event's schedule and the event host. This time frame can be flexible, anywhere from 60-120 minutes, depending what the event host desires.

WORKSHOPS

We also bring the opportunity to have your students learn how to dance like Refined/Undignified. We have a broad spectrum of styles of dance classes we can offer from beginner to advanced. Depending

on the event we can teach as much as we need to have your students ready to perform for their friends and family by the end.

Some classes offered are:

- Basic Dance with many styles
- Beginner Breaking
- Beginner Popping
- Beginner Hip Hop
- Intermediate Hip Hop
- Advanced Hip Hop
- Beginner House
- Beginner Locking
- Beginner Old School
